

This is a Formal Invitation to...

The Cornerstone Spring Awakening

Sat. April 18, 2009

Begins at 5 pm sharp

The Awakening is a semiannual Cornerstone tradition! We get together to celebrate the achievements of those teens and parents in the program who have had great success and are ready to move on from early recovery to another 12 step program. We are recognizing their commitment to service, their practice of the principles of recovery, and their journey to becoming a model and testament of all that the program offers. Please plan to come celebrate this milestone in achievement with us!

You won't want to miss this...
